THEME DISCUSSION: WINTER

South Africa experiences winter in June, July and August.

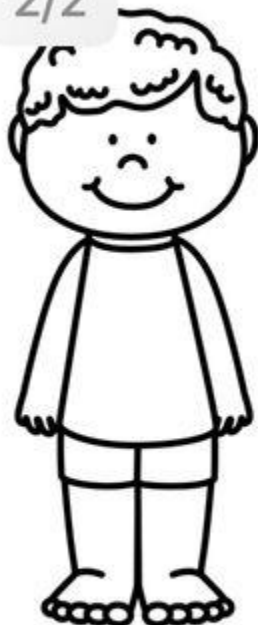

The days become shorter and the nights become longer as the sun moves further away from us.

Here in Mokopane our winter is quite mild. That means it doesn't get very very cold like in other parts of the world. In some parts of South Africa and in other countries it snows.

Today let's discuss what type of clothes we should wear in winter.

The poster features a blue banner at the top with the word 'COLORS' in white, bold, sans-serif capital letters. On either side of the banner is a cartoon character: a blue character with a yellow cone on its head and a red bow, and a blue character with a yellow cone on its head and a pink bow. Below the banner, the text 'Look and learn' is centered. The main content consists of ten colorful splashes, each with a simple face (two eyes and a wavy mouth). The splashes are arranged in three rows: the first row has blue, red, and yellow; the second row has green, orange, black, and white; the third row has pink, purple, brown, and gray. Each splash is labeled with its corresponding color name in a matching color. At the bottom, there are two more cartoon characters: an orange one with a yellow cone and a green one with a yellow cone. The website address 'bilgeceingilizce.weebly.com' is printed at the bottom center.
