Thursday	Poem-Puddles	Handwriting-Random	Word by Word page 6 Homophones	Dolch words 12 how-start
Friday	Poem-Puddles	Reading- Forest of snakes	Memorandum	

Note

We will start with a new poem **called Puddles** I think it is safe to say that all the learners have memorized the tapping beetle.

Handwriting will be done every day this week please do not attempt to do them all at once follow the appropriate date **pay special attention to the spacing of the lines** as some letters take more than 3 lines and we do not want words overlapping each other as it looks very clumsy.ie use the handwriting book (small line) to complete this activity.

Dolch words-learners need to practice these words by reading aloud to an adult, these like the poem **can be found in the file** though I will post pictures of the relevant words daily.

Learners will guide parents on which books they will be working in for the day.

Memorandums will still be given out on Friday as well as reading, **please parents the marking of the learners work is very important and learners are able to do this independently by simply taking a colour pencil and putting a tick or cross next to the answers as well as corrections if need be.**

There will be no Arts and Craft this week to allow learners to catch up for previous incomplete crafts.

There are 42 learners in grade 3 but unfortunately I am only receiving cooperation from half of them moving to week 8 and onwards we will be working in books that most learners are familiar with since grade 2 and until March of grade 3 so I do expect cooperation from all the learners.

Thank you
