THEME DISCUSSION:

Doctors are Amazing!!

There are so many different types of doctors that help us feel better when we are ill. We have general doctors, dentists, optometrists, surgeons, etc.

This week we will be learning more about them.

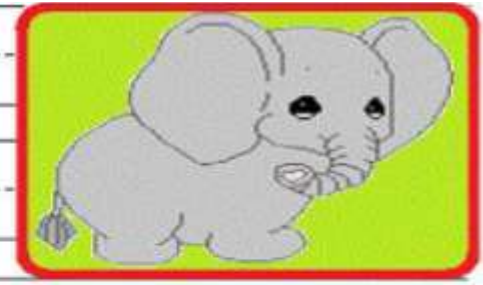

What is a **Dentist?**

A dentist is a person who checks to make sure your teeth are healthy. If your teeth are unhealthy he will help to make them better.

NEW LETTER INTRODUCTION.

e - a simple line from left to right . Start letter e with all it's might. - Just like a c around you go , this makes the letter e you know.
