Dear Parents and Learners

As we are moving into our first exam session for 2026, we would like to communicate the following information:

- Learners will be writing formal exams which will count towards their term mark. Exams will be written as per the Formal time table below.
- Learners must be at school at 7:00 am on the days they are scheduled to write. Please do not be late as this could result in a learner missing their exam and getting a 0 mark for the paper. No extra time will be given to late comers. Students who report 30 minutes after the paper has started will not be allowed to commence with the exam paper.
- Learners only come to school on the days they write exams. They should stay home and study on the days they are not writing.
- It is imperative that learners start studying well in advance from the exam guidelines that will be given for each subject by their subject teacher.
- If a learner is absent for an exam, they must bring a doctor's letter the next day, or they will receive a 0 for the exam which will affect their term mark.
- All school bags and books should be left outside the examination room or at the back/front of the classroom.
- Learners should bring their own stationery to the exam venue, as no one will be allowed to borrow stationery. Please remember to bring an extra pen! Only the necessary stationery, i.e. pens, pencils, rubber, ruler, highlighters, etc. are allowed on a learner's desk.
NO PENCIL CASES. No tip-ex may be used.
- Any form of cheating/attempted cheating is seen in a very serious light, so please make sure watches, notes and cell phones are handed in before the start of the exam. Cell phones and Smart Watches must be switched off and placed on the teacher's desk until after the exam session. Cheating/any attempt at cheating can result in a 0 mark and further disciplinary measures.
- Learners will receive a letter closer to the exams stipulating the procedures for going home after the exams. The following options will be available: Being collected directly after the end of the exam, walking home or Supervised study time till 13:30 Monday-Thursday and 12:00 Fridays (Learners in supervised study may also be signed out at the office by a parent/guardian before 13:30)
- Learners who remain for supervised study must bring their books to study for the next examination session/paper.
